

THE SOUTH LONDON MAGIC SOCIETY July 2015

The July meeting was the annual Stage Competition.

New member Kevin performed first. He showed a pack black and white cards with different words written on each card. He had pack cut and handed cards to six spectators. He was able to identify four of these correctly

Chris asked Mike and Ian to help. He borrowed £10 from Mike and asked Ian to fold it. He asked them to arrange between themselves which of their four hands to hold it in and then asked them to say no when he asked if they had the money. He asked Ian to remember the last three digits.

Chris then asked Joe, Mike and Ian to sit with their eyes closed and to think of a shape, a year and the first person they had kissed.

Gary performed Just Chance with Joe's £50. He then performed a professors nightmare, ring on rope and a card prediction.
