

THE SOUTH LONDON MAGIC SOCIETY

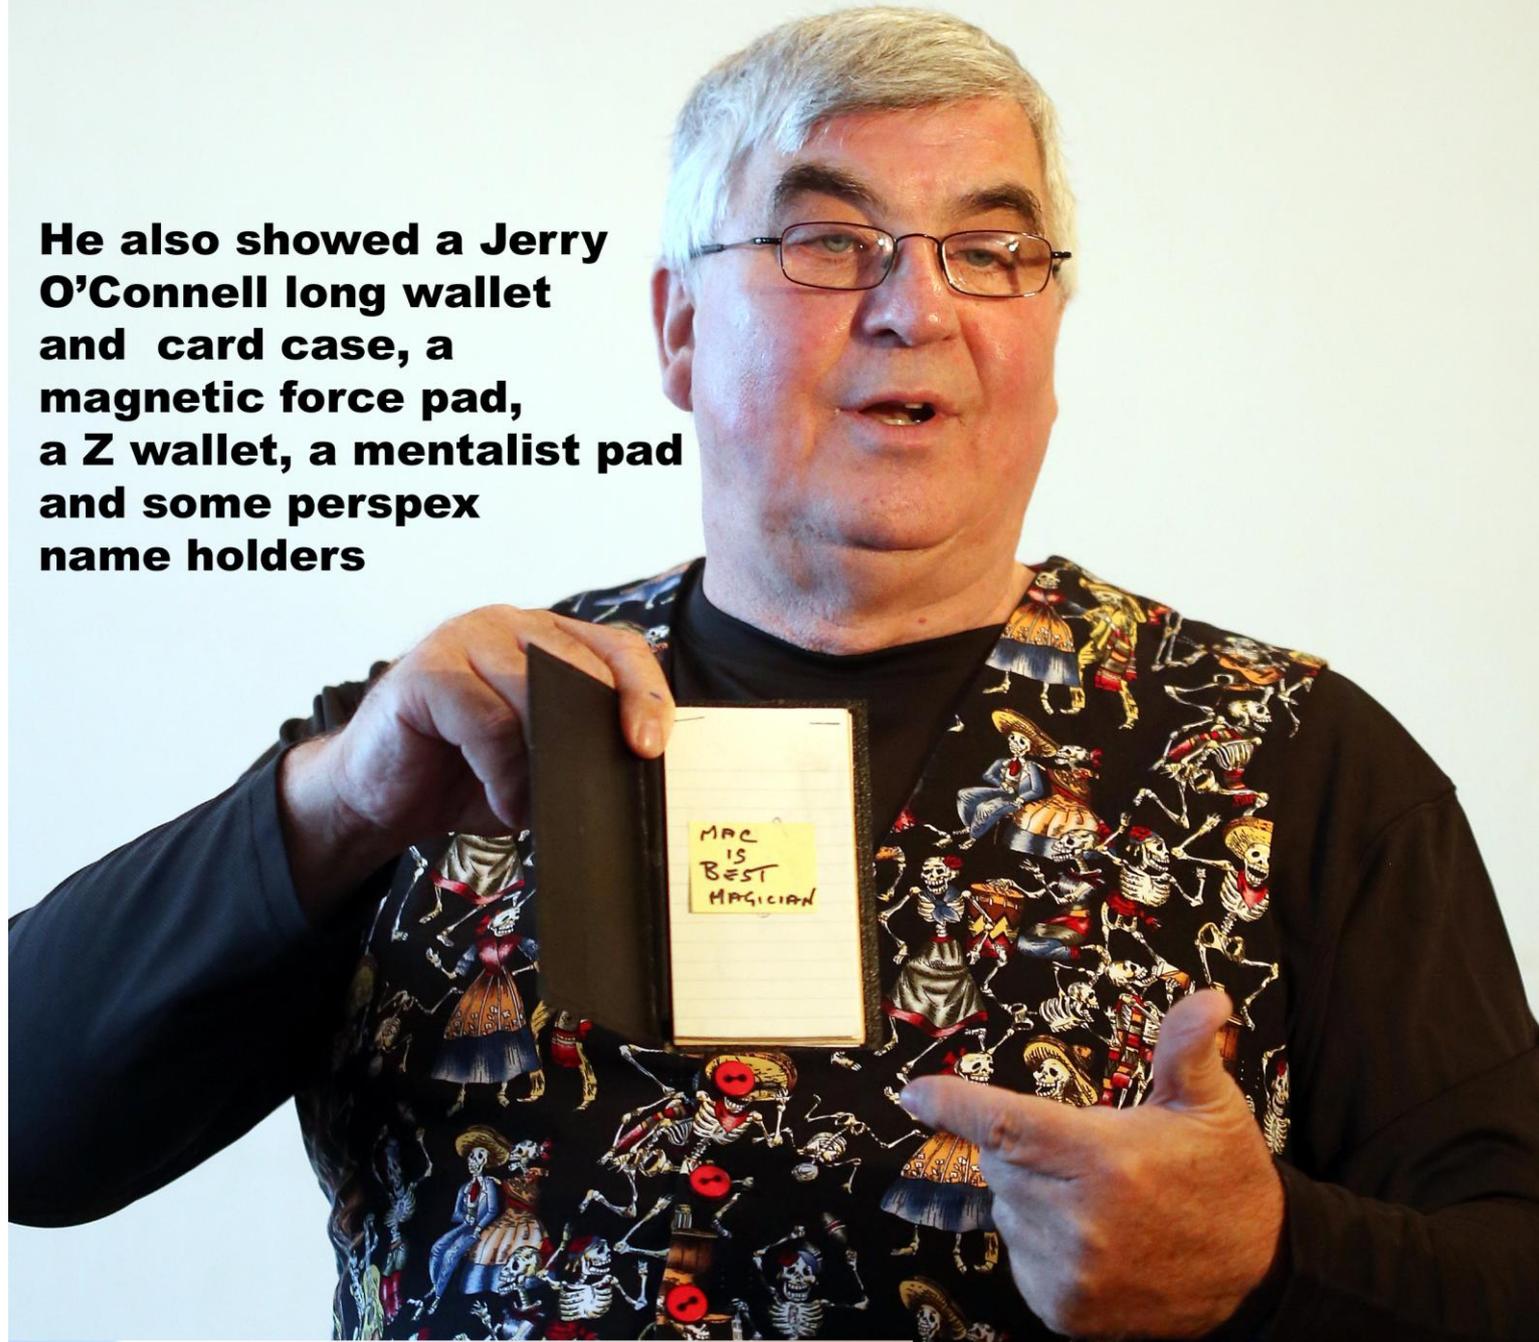

June 2015 - Wallets

Roy had two leather cases which he used to perform a Joe Ridding trick called Split Decision,

He also showed a Jerry O'Connell long wallet and card case, a magnetic force pad, a Z wallet, a mentalist pad and some perspex name holders

Little white bull magic painting

Gary's mis-matched card

Pete Doorey showed extreme burn, an infinity wallet performing colossal killer and used a Jerry O'Connell large wallet as cover to turn a ten pound note into a credit card

Kevin showed a Mirage wallet producing a signed card (Mark Mason) and produced a signed coin from Nicholas Einhorn's nest of Wallets. He also showed a JOC hip wallet.

Peter showed Joshua Jay's Transporter where a signed card in wallet is sandwiched between two magnetic cards.

Gary performed his Ring on String finding the ring inside two envelopes in an old JOC wallet. Gary talked about how you can steal items eg glasses and phones at tables and find them inside wallets
