

THE SOUTH LONDON MAGIC SOCIETY

September 2015 - Lucky Dip

The meeting on 1/9/15 was a Lucky Dip evening. Unfortunately several members were unable to make it due to a clash with The Magic Circle as the previous day was a bank holiday.

This happens several times each year so there was some conversation about changing the day or the week to avoid this in the future.

This will be discussed at the AGM.

Gary had prepared 15 paper bags, each containing a prop and a joker which could be played if the magician wanted to use a pack of cards.

He opened the evening , welcoming two new members, Alex and Paul.

Gary made three balloon bears to perform the story of the Three Bears.

Robbie asked Roy to shuffle a pack and then count down the no. of cards of the value of the top card.

He then performed another effect where two prediction cards were found between their matching cards.

Rob made a balloon with a ball rolling inside it and performed a Four Ace trick.

Roy performed his Red Arrows balloon gag and performed a spelling card effect.

Kevin asked for a colour to be named and produced a rainbow silk, he performed a torn and restored signed paper, he then predicted the positions three items shuffled to a set of instructions would finish in.

**Joe Somma vanished a folded bill from a handkerchief and produced it from a bill tube.
Paul performed a domino prediction.**

Sarah performed Just Chance a a Knot Knot rope trick.

Alex performed Torn and Restored paper to hat.

Ine made a balloon giraffe

Gary performed a stone prediction.

This was a very productive and enjoyable evening and everyone took part. Well done all.

October's meeting will be led by Roy presenting Big Trick, Little Trick demonstrating how effects can be altered to be suitable for cabaret, stage or close up. If you gave any items that you would like to sell please bring them along.
