

# THE SOUTH LONDON MAGIC SOCIETY

## December 2015

**Our December meeting was a pre Christmas celebration.**

**Gary welcomed everyone and then introduced Paul as the first of several performers.**

**Paul produced a pack of cards from an empty card box, told a story about the Devil and a magician using cards and coins.**

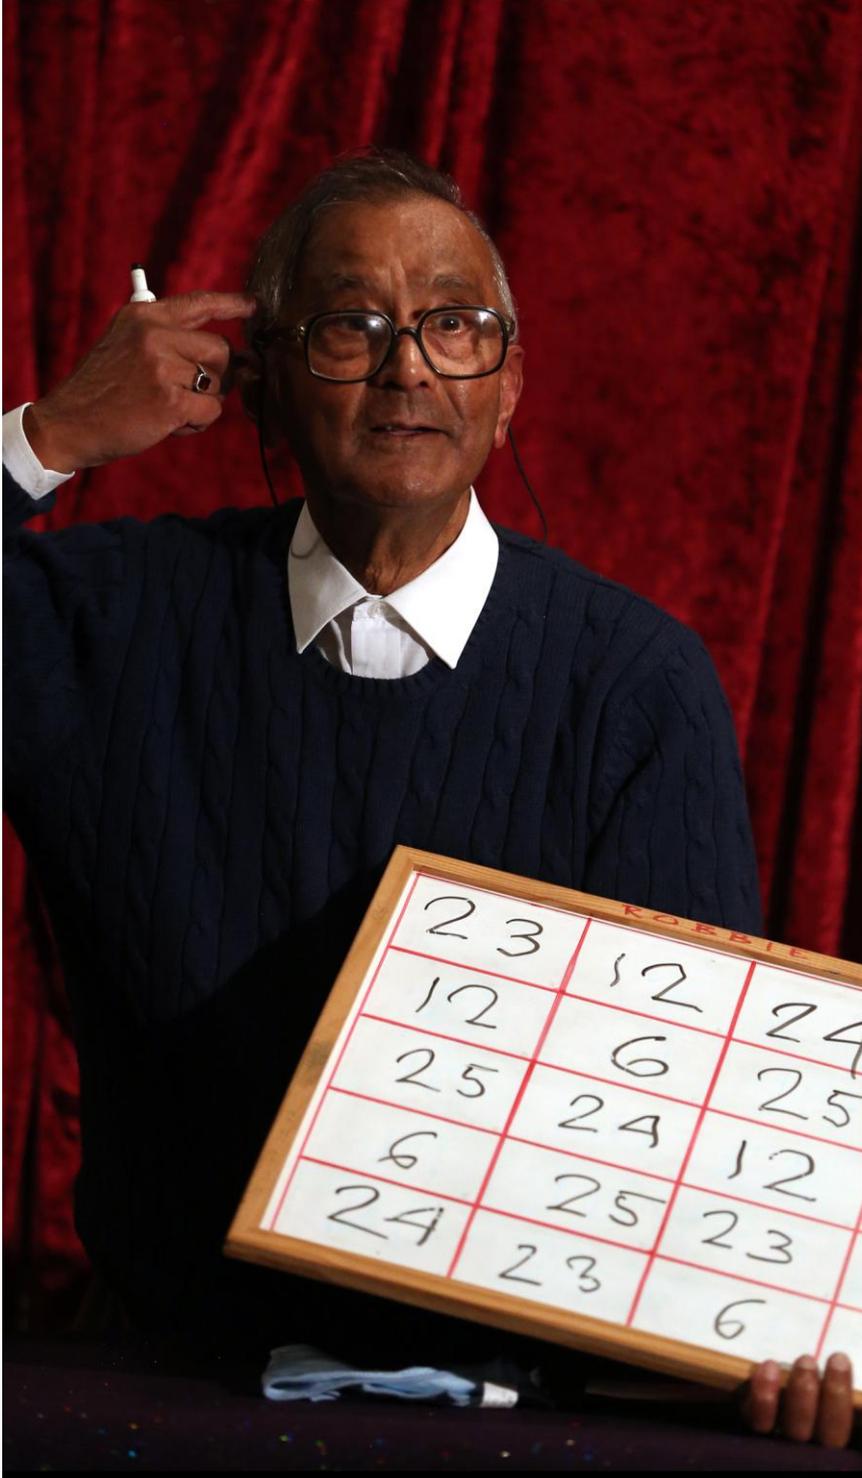

**He finished with a slick cups and balls routine. He will be using this routine for his Magic Circle Examination so I am sure that we all wish him well.**

**Norman showed us how to win at cards with two cards, go, Go, Gone sponge , Diamond Cascade and an Ali Bongo Car d prediction.**

**Chris Benkin performed a carefully constructed Christmas routine with a Christmas card trick, John Bannon book test, chocolate coins across, a prediction effect with three objects and drew a magician on a business card with a flash disappearance.**

A man with dark hair, wearing a dark jacket, is performing a magic act. He is holding a small yellow card in his right hand and pointing towards the camera with his left hand. The background is a red, textured curtain.

**Kevin G. Also prepared a special festive act, he performed a Phil deck prediction, he asked for four assistants asking two to tell the truth and two to lie, using win/lose cards all received presents from Santa. 5th - card tricks with a difference. Kevin then asked various audience members to enter random numbers into a calculator which totalled Kevin's prediction of 25/12/15 and a card I had previously chosen was found inside the cellophane around a gift wrapped box of chocolates.**

Four men are standing in a row against a red, textured curtain. The man on the far left is wearing a blue Christmas sweater with a Santa Claus design. The other three men are wearing dark jackets. They appear to be socialising and smiling.

**We then socialised and enjoyed a Christmas buffet for the second part of the evening.**
